Special Sub-Registry Office at Bannur.

READ—

Letter No. C. R. 68—28-29, dated the 23rd December 1928, from the Inspector-General of Registration in Mysore, submitting proposals for the opening of a new Sub-Registry Office at Bannur.

"I have the honour to state that I have had the question of the best method of affording relief to the heavily worked Sub-Registry Offices under consideration for some time. On examining carefully the work turned out in such offices it is found that the office at T.-Narsipur is registering annually more than 5,000 documents and those at Nanjangud and Malvalli more than 6,000 and while at Chamrajanagar the number of registrations is nearly 7,000. Thus it will be seen that on account of exceptionally large number of documents registered, there is much congestion of work in these offices. The Sub-Registrars, however efficient and quick they may be cannot cope with the work when it is very heavy. As a consequence not only the parties have to wait for a long time to get their documents registered but also the Sub-Registrars cannot find time to attend to other important work such as scrutinising the documents properly, comparing a fair percentage of them and checking the indexes, etc.

The necessity to relieve congestion in such offices was brought to the notice of Government in the last Birthday Session of the Legislative Council also.

2. Taking the offices at Malvalli, T.-Narsipur and Nanjangud first, they are all contiguous taluks and may be taken up together; with a view to relieve congestion in these three offices, I have the honour to propose that a new office may be opened at Bannur. I inspected the place and found that the opening of a new office would be attended with advantage. The District Registrar whom I consulted in the matter reports that an office at Bannur will besides removing congestion in the said three Sub-Registry Offices, remove the difficulty to the people of Bannur and Sosale Hoblis of crossing the river Cauvery in the flood season to T.-Narsipur for the purpose of registration. He agrees with the recommendation to open a new office at Bannur with jurisdiction over Bannur and Sosale Hoblis of the T.-Narsipur Taluk and the Korigaval Hobli of the Malvalli Taluk, and transferring the Registration jurisdiction of the Belegere Hobli of the Nanjangud Taluk to the T.-Narsipur Sub-Registry Office and that of the Chikkarasanakere Hobli of the Malvalli Taluk to the new office at Maddur sanctioned in Government Order No. Fl. 611-15—Regis. 1-28-2, dated 3rd July 1928.

3. The statement appended on the margin shows the average number of registrations and the income of each office both at present and also after the above changes are effected.

Office	Present		Future	
	No.	Income	No.	Income
T.-Narsipur	...	Rs. 5,200	4,400	8,600
Malvalli	...	6,400	3,800	6,200
Nanjangud	...	6,600	4,600	9,800
Maddur	...	...	4,600	7,000
Bannur	...	...	3,500	6,900

4. I agree with the District Registrar and recommend that a new Sub-Registry Office may be opened at Bannur and the changes proposed in the registration jurisdiction sanctioned.

5. The cost of the establishment required will be Rs. 3,403. By deducting the savings of Rs. 1,095 that will be effected by the reduction of establishment in the three offices of T.-Narsipur, Malvalli and Nanjangud, the net extra cost for a year will be Rs. 2,308 as shown in the accompanying statement. In case the changes are effected from 1st March 1929, the extra cost to start with for the establishment for the four months in the current year and also for furniture, etc., will be about Rs. 700 which may be met from the sum of Rs. 25,000 sanctioned under "5 Registration, 2 District charges" in the current year's budget for the reorganization of the Department.

*(Printed as annexure.)

6. The question of the removal of congestion in the Chamrajnagar Sub-Registry Office, is being worked out and a further report will be submitted later on."

ORDER No. FL. 5773-6—REGIS. 18-28-2, DATED 29TH—30TH JANUARY 1929.

Government are pleased to sanction the recommendations of the Inspector-General of Registration to open a Sub-Registry Office at Bannur, with jurisdiction over Bannur and Sosale Hoblis of the T.-Narsipur Taluk and the Kerigaval Hobli of the Malvalli Taluk and to change the registration jurisdiction of the Special Sub-Registry Offices at Malvalli, T.-Narsipur, Nanjangud and Maddur, as proposed by him tentatively for a period of two years, with effect from the 1st July 1929.

Necessary provision should be made in the budget for 1929-30.

Secretary to Government,
